- 25X1
1. Transmitted herewith is your delegation of contracting authority effective 28 February 1972.
 2. This authority is delegated to you subject to the following:
 - a. You will insure prior to the execution of any contractual document or the issuance of a notice or authority to contractor to proceed that appropriate funds are available for the proposed action and further that appropriate approving officials within ORD, DDST or the Agency have given program approval.
 - b. You will insure that contractual documents or commitments issued or made by you conform to policy directives issued by the Director of Logistics.
 - c. All contracts or amendments exceeding \$150,000 in amount and all overruns exceeding \$22,500 and 15% of the original estimated cost will be submitted to the undersigned prior to review by the Agency Contract Review Board or execution by you, whichever occurs first. In the absence of the undersigned for an extended period of time such contracts may be submitted directly to the Contract Review Board when approved by you and thereafter such contracts may be executed by you if approved by the Contract Review Board.
 - d. You will insure that prior review and approval of the undersigned is obtained before execution of any contractual document, regardless of amount, when the action proposed would be inconsistent with the law, regulations, policy or sound business or security practices.
